

# Theme 4: Maximising value of mobile health in the new vigilance world

WEB-RADR Stakeholder Event

7 September 2017

Chair: Mick Foy, MHRA

Panel:

Shanthi Pal, World Health Organisation

June Raine, MHRA

Robert Ball, FDA

François Houyez, EURORDIS

David Lewis, Novartis

# Instructions to panellists

## **In no more than 5 minutes**

- Tell us from your perspective how you think mobile health can be maximised for vigilance
- How can the developments from WEB-RADR improve vigilance
- What more needs to be done?
  
- Questions from the Chair will follow
- Questions from the audience to finish
